Curriculum Vitae

MULLER Ian

Education

2013-2015:	Université du Luxembourg -
	Master in information and computer sciences
	Profile: Adaptive Computing
	Grade: good
2010-2013:	Université du Luxembourg -
	Bachelor en informatique (professionnel)
	Grade: fair

Master Thesis

Title:	Design & Implementation of Web Services for multiple criteria sorting & ranking
Supervisors:	Raymond Bisdorff
Description:	This thesis concerns itself with analysing and comparing existing Web Technologies for Web Services with a focus on Web APIs. Taking a decision on which to use for implementing a Web API to present functions for Multiple Criteria Sorting and Ranking algorithms based on Heat Maps and analysing the performance of the Web API versus a local solution.

Bachelor Thesis

Title:	Adding spreadsheet functionality to the Snippet System
Supervisors:	Laurent Kirsch, Steffen Rothkugel, Jean Botev
Description:	This paper presents the inclusion of two new features in the Snippet Platform. Namely the addition of a Spreadsheet T-Shell and that of an Editor for creating and manipulating Dependencies between various Snippet Documents and Excerpts.

Conference publication

IEEE SSCI 2014:Visualization and Classification of Protein Secondary Structures using Self-Organizing Maps; Grévisee Christian, Muller Ian William, Jiminez Laredo Juan Luis, Ostaszewski Marek, Danoy Grégoire, Bouvry Pascal; December 2014

Languages

English:	Native (Mother)
Luxembourgish:	Native (Father)
German:	Fluent
French:	Fluent

Hobbies

Gaming:	Video Games, Tabletop Games, Collectible Card games, Miniature Wargaming
Sports:	Kendo (Japanese fencing)
